

Request for Proposal/BID Document of Splendor Complex CHS Ltd.

Notice Inviting Tender (NIT)

- Introduction
- Name of Work
- Tender Schedule
- Contact Details
- Important Dates

2. Background to be supplied by the Complex

- About Oberoi Splendor
- Society Profile
- Number of Towers
- Clubhouse
- STP
- Water Pumps
- DG Sets
- Common Area Lighting
- HVAC Systems
- HT Electrical Infrastructure
- Existing Electricity Consumption
- Annual Electricity Cost

3. Objectives

- Reduce electricity consumption
- Improve electrical safety
- Improve fire safety
- Improve operational efficiency
- Recommend Energy Conservation Measures (ECMs)
- Identify renewable energy opportunities
- Carbon reduction roadmap

4. Scope of Work

Detailed Energy Audit Including:

- LT Panels
- DG Sets
- Pumps, Hydro Pneumatic System
- Domestic Water Pumps
- STP
- Fire Pumps
- Lifts

- Lighting
- Clubhouse
- Swimming Pool
- Tennis Court
- Basement Ventilation
- Common Area Lighting
- Street Lighting
- Building Load
- HVAC
- Demand Optimization

5. Electrical Safety Audit (As applicable)

- Thermography
- Earthing and Lightning Protection
- Cable Health
- MCC Panels and LT Panels
- DG Panels
- RCCBs
- UPS if applicable
- Battery Rooms if applicable

6. Fire Safety Audit

- Fire Pumps
- Fire Alarm
- Fire Detection
- Fire Load Assessment
- Evacuation
- Fire Signages
- Electrical Fire Risks

7. Data Collection

Documents to be supplied by Society

- Two-years electricity bills
- SLDs and other details about our installation from Tata Power
- Equipment Manuals
- Previous Audit Reports

8. Deliverables

The consultant shall submit:

- Baseline Report
- Equipment Efficiency Report including Pump Efficiency

- Lift Energy Analysis, HVAC Analysis, Lighting Analysis
- Electrical Safety Report and Fire Safety Report
- Cost Benefit Analysis and ROI
- Payback
- Implementation Roadmap

9. Eligibility Criteria (covered in a note attached)

- Registered Company with GST PAN ISO Certification
- Minimum 5 years' experience of similar projects
- BEE Certified Energy Auditor and Licensed Electrical Safety Engineer
- Fire Safety Auditor
- Financial Turnover
- Solvency Certificate

11. Bid Submission

- Technical Bid
- Financial Bid
- Required documents checklist

12. Commercial Terms

- Payment Schedule
- Performance Security
- Liquidated Damages
- Completion Time
- Confidentiality
- Intellectual Property
- Insurance

14. Annexures

- Bid Forms
- Financial Bid Format
- Experience Format
- Team CV Format
- Declaration
- Power of Attorney
- Integrity Pact
